 Black OP 48-2 x Crash Course

 Stretch, strengthen and blacken your Berkshires.  
 This guy could work all day!

Both of these boars were bred and raised by Mike Howe & Family, Texas, and were shown at Belton. Knowing Mike for many years, we knew these boars would be "for real". No Matrix! No Paylean! True Pedigrees! And with all sound fundamentals to boot!

We are so happy and proud to acquire these solid breeding hogs from folks we trust like the Howe Family. THANK YOU!

**SEMEN AVAILABLE**  
**BOTH BOARS**

**Howe Come 1-5**

 1.0 BF, 10.6 LEA, 1.60 WDA  
 A new Chester bloodline for us. A complete-package boar with extra width, bone and muscle. Another legitimate boar that can go full speed ahead.
