MORE BOAR POWER AT RAKE GENETICS

This totally fundamental new young stud may some day be added to a list of Hall of Fame-type Chester sires of our breed's history like Jolly Jack, The Charger, Classic, Noble Cause, King Of The Road, Expo 1-1, Big Rig, King Kong, Big Track, Promise Keeper, McRib, Bulldog, plus numerous modern-day super sires. The Chester White breed has truly been blessed with progressive stockmen as well. To quote a mentor, the late Harley Allen describing a herd sire much like GLORY DAYS 1-3, "This is a boar that breeders need to help make better change for the Chester White breed!"
