

# PLAN FOR TOMORROW

REMEMBER . . .  
Noah who built the Ark

When Noah released all of the animals and birds from the Ark to freely breed and multiply, how many species went extinct? Could the breeding stock from your farm breed naturally and survive without artificial hormones, AI, c-sections or pig pullers?

**CMW Ms Beacon 7-10**

*Bred by Colt and Mike Williams, Mo.*

*A productive, foundation Hampshire female building her legacy at Rakes!*

*If Noah selected a breeding pair to procreate each animal species, might he have put these two on the Ark?*

**BiggerZBetter 3-1**

*Big Rig x Off The Wall*

*Bred by Drew and Martin Voorhees, Ill.*

*As strong as the Ark!*

*A working, breeding herd sire for Rake Genetics!*

**January 2017 Litter #14**

- Linebred 7-10 descendants
- A Ms Beacon x Sue blend -- our two best Hampshire sow families
- Put one like this in your boat!
